From *The Joy of Love*, the Pope's apostolic exhortation on love in the family

"Growing up with brothers and sisters makes for a beautiful experience of caring for and helping one another. For fraternity in families is especially radiant when we see the care, the patience, the affection that surround the little brother or sister who is frail, sick or disabled" (Par. 195).

General Data Protection Regulation

A new European Data Protection law, the General Data Protection Regulation ("GDPR"), is being introduced on 25 May 2018. This new law applies to any organisation, including our parish that manages and processes people's personal information. We are now working on ways of ensuring that what we do with your information is compliant with this new law. It is a work in progress and over the next few months we will keep you informed through the parish website and in the newsletter as policies are put in place.

Prayer before an exam

Dear Lord, as I take this exam, I thank you that my value is not based on my performance, but on your great love for me. Come into my heart so that we can walk through this time together. Help me, not only with this test, but with the many tests of life that are sure to come my way. As I take this exam, bring back to mind everything I have studied and be gracious with what I might have over looked. Help me to remain focused and calm, confident in the facts and in my ability, and firm in the knowledge that no matter what happens today you are there with me. Amen.
