Summary of Parish Pastoral Meeting

Among the items discussed at the Parish Pastoral Council meeting on 21st October were the following: 1. We discussed possible new ways of co-operating across the three parishes, following Fr Pat McManus retiring as Moderator and Fr Martin being appointed in his place. 2. We looked at how to attract more young people to the Teen Hope programme. 3. We discussed the need for new members for the PPC. 4. We explored how we might draw more people into the various parish groups. It is hoped to have an 'open house' of stalls of parish groups in the Parish Centre in the spring. 5. An update was given on new child protection procedures and on the new Diocesan safeguarding policy for vulnerable adults. 6. We reflected on the implications of our Mass attendance count over the past three years
