### Quote from Pope Francis' Encyclical on the Environment, *Laudato Si'*

We must regain the conviction that we need one another, that we have a

shared responsibility for others and the world, and that being good and decent are worth it. We have had enough of immorality and the mockery of ethics, goodness, faith and honesty. It is time to acknowledge that light-hearted superficiality has done us no good. When the foundations of social life are corroded, what ensues are battles over conflicting interests, new forms of violence and brutality, and obstacles to the growth of a genuine culture of care for the environment.

### Pilgrimage to Knock

The Legion of Mary annual pilgrimage to Knock will take place on Sunday 25th September 2022. Bus fare €30.00. For details please contact Maura on 01 833 3866 or Mary on 086 810 6517

### Revised Date For Gathering

The revised date for the gathering for Fr Martin is Wednesday 28th September at 7.30 pm in Holy Faith School Hall to say goodbye to him. In the meantime, anyone who still wishes to make a contribution to this event can leave it in an envelope marked "Farewell Event" in the parish office. Many thanks, from the Parish Pastoral Council and Finance Committee. Looking forward to seeing you all there.

### Season of Creation

St Francis of Assisi, the patron saint of Ecology and the founder of the Franciscan Order is given due

prominence in 'Laudato Si'. The title itself-which means 'praise be to you'-is taken from the opening line of the Canticle of the Sun. This beautiful hymn of praise was composed by St Francis in 1224 and in it he reminds us of the interconnected and independent relationship we have with all of God's creation. His earliest biographer Thomas of Celano, writes of Francis 'He delighted in all the works of God's hands and from the vision of joy on earth, his mind soared aloft to the life-giving source and cause of it all. In everything beautiful he saw him who is beauty itself.'
