Clontarf Men's Social Group

The Men's Social Group meet every Wednesday in St John the Baptist Parish Centre, Clontarf Road, after 10.00 am Mass. The group is a venue for men of all ages to meet, relax, have fun, to create a sense of community and wellbeing, and discuss issues of the day over tea/coffee. Musicians of every level are very welcome.

Quote from Pope Francis' Laudato Si'

148. An admirable creativity and generosity is shown by persons and groups who respond to environmental limitations by alleviating the adverse effects of their surroundings and learning to orient their lives amid disorder and uncertainty. For example, in some places, where the façades of buildings are derelict, people show great care for the interior of their homes, or find contentment in the kindness and friendliness of others. A wholesome social life can light up a seemingly undesirable environment. At times a commendable human ecology is practised by the poor despite numerous hardships. The feeling of asphyxiation brought on by densely populated residential areas is countered if close and warm relationships develop, if communities are created, if the limitations of the environment are compensated for in the interior of each person who feels held within a network of solidarity and belonging. In this way, any place can turn from being a hell on earth into the setting for a dignified life.
