PARISH NEWSLETTER 8th SEPTEMBER 2024

Prayer for our earth

All-powerful God,
You are present in the whole universe
And in the smallest of your creatures.
You embrace with your tenderness all that exists.
Pour out upon us the power of your love,
that we may protect life and beauty.
Fill us with peace, that we may live
as brothers and sisters, harming no one.
O God of the poor,
help us to rescue the abandoned and forgotten of
this earth,
so precious in your eyes.
Bring healing to our lives,
that we may protect the world and not prey on it,
that we may sow beauty,
not pollution and destruction.
Touch the hearts
of those who look only for gain
at the expense of the poor and the earth.
Teach us to discover the worth of each thing,
to be filled with awe and contemplation,
to recognize that we are profoundly united
with every creature
as we journey towards your infinite light.
We thank you for being with us each day.
Encourage us, we pray, in our struggle
for justice, love and peace.

Pope Francis, Laudato Si', 2015..

This year's theme is To hope and act with Creation In the letter of Paul the apostle to the Romans, the biblical image pictures the Earth as a Mother, groaning as in childbirth (Rom 8:22). Francis of Assisi understood this when he referred to the Earth as our sister and our mother in his Canticle of Creatures. The times we live in show that we are not relating to the Earth as a gift from our Creator, but rather as a resource to be used. And yet, there is hope and the expectation for a better future. To hope in a biblical context does not mean to stand still and quiet, but rather groaning, crying, and actively striving for new life amidst the struggles. Just as in childbirth, we go through a period of intense pain, but new life springs forth.
