As part of our fight against digital exclusion, Age Action's Getting Started programme offers free, one-to-one, volunteer-led training in digital literacy courses, supporting older people to get online or use their smart device with confidence.

THE PARISHES OF CLONTARF & DOLLYMOUNT

Sycamore

What do you believe?

"He sought to see who Jesus was, but could not, on account of the crowd, because he was small of stature. So he ran on ahead and climbed up into a sycamore tree to see him."

LUKE 19: 3-4

How can we find happiness?

What's the meaning of life?

Is there a God?

Does prayer make a difference?

Sycamore is an informal course about the Christian faith and its relevance for life today. It gives you space to meet other people, share ideas, explore your beliefs, and think about questions that really matter. Each session involves a short film and time for discussion. Everyone is welcome – whatever you believe, and whether you come once or come to them all.
